1. Transfers In Restricted to Pension Monies

The only monies which may be transferred into this LIRA are those which originate, directly or indirectly, from:

- a) the fund of a pension plan which conforms with the Pension Act and the Regulations or with similar legislation in another jurisdiction, if the money is being transferred under section 36 of the Pension Act or under a similar provision in legislation in another jurisdiction and the transfer complies with the Tax Act's requirements;
- b) another LIRA;
- c) a Life Income Fund; or
- d) an Annuity;

and in or of which the Annuitant was a member or the plan holder or annuitant, as applicable.

2. Restrictions on Transfer from LIRA

The Locked-In Funds cannot be transferred out, except:

- a) before an Annuity is purchased, to be transferred into a pension fund of a Registered Pension Plan and to which the Annuitant belongs; however, a transfer is permitted to a pension plan that is not registered in New Brunswick only if:
 - i) that pension plan is registered for persons employed in a jurisdiction that is designated for this purpose under the Regulations; and
 - ii) the Annuitant is employed in that jurisdiction by an employer who is making contributions on behalf of the Annuitant to the pension fund that is to receive the Locked-In Funds to be transferred;
- b) before an Annuity is purchased, to be transferred to a LIRA or a Life Income Fund;
- c) before the end of the year in which the Annuitant reaches age 71 (or other such age as the Tax Act may prescribe from time to time), to purchase an Annuity; or
- d) if an amount is required to be withdrawn in order to reduce the amount of tax which is otherwise payable by the Annuitant under Part X.1 of the Tax Act, in which case the amount which is withdrawn (less any amount required to be withheld under the Tax Act) must be deposited into a sub-account of this LIRA to be established by the Issuer and which sub-account, while remaining subject to all terms of this Contract and to the Pension Act and Regulations, is not held within a registered retirement savings plan within the meaning of the Tax Act.

Any withdrawal in accordance with this paragraph may be in whole or in part (however, if the Annuitant is purchasing a deferred life annuity, a partial withdrawal is not permitted), and is subject to the restrictions, if any, imposed by the investment options in which the Locked-in Funds are held. Where no such restrictions apply, the withdrawal will be processed within 30 days after the Issuer receives the Annuitant's request on a Transfer Form duly completed by the Annuitant and the proposed transferee institution.

3. Permitted Withdrawals

The Locked-In Funds may be withdrawn during the Annuitant's lifetime only in accordance with this section 3.

- a) Disability: The Annuitant may withdraw the Locked-in Funds, in whole or in part, and receive a lump sum payment or series of payments if:

 - C. the total pension adjustments reported to the Annuitant by Canada Revenue Agency for the two taxation years immediately preceding the request for withdrawal is zero.

For the purpose of processing such request, the Annuitant consents to the exchange of information among the Issuer and its affiliates with respect to any LIRAs and Life Income Funds held by the Annuitant with affiliates of the Issuer.
